### **District Court Participates in National “Take Our Daughters and Sons to Work Day 2019”**

On April 25, 2019, seventy children participated in “Take Our Daughters and Sons to Work Day 2019” at the U.S. District Court for the Northern District of Illinois. Highlights of the day included meeting the U.S. Marshals’ canine, observing a mock criminal trial, touring the courthouse, and job shadowing. Participants included children, grandchildren, siblings, nieces and nephews of judges, chambers staff, and Clerk’s Office employees from both the Dirksen U.S. Courthouse and the Roszkowski U.S. Courthouse. The children ranged in age from 6 through 17 years old. The National Take Our Daughters And Sons to Work Day encourages girls and boys across the U.S. to dream without gender limitations and to think imaginatively about their family, work and community lives. The 2019 theme, “Workforce Development For All,” aims to empower youth through inspired personal development careers. The program celebrates its 26<sup>th</sup> anniversary this year, and this is the first year in some time that the District Court has participated.
